4. **Overall final mark and award**

Overall	Award
MSc Preventive Cardiology	Distinction

Results are not final until ratified by Registry who will subsequently provide you with your official university transcript and certificate. In the meantime please use this letter as confirmation of your attendance and completion of the course.

If you require further feedback about your modules you need to contact the module leader directly.

There is one final requirement. You must now submit one hard bound copy of your research project. This version must include all corrections. These should be highlighted by the markers on your script that is in your feedback pack (corrections may not be needed). The bound copy must be correctly formatted and full instructions relating to this are included within. Your corrected bound copy must be submitted to the department no later than 11th December 2014.

The graduation ceremony is 6th May 2015. Further information, including how to order your gown and much more, can be found at: http://www3.imperial.ac.uk/graduation . **All graduation formalities are dealt with by the Graduation team; please contact them with any questions.**

Congratulations on completing your Masters in Preventive Cardiology. We hope you had an academically fulfilling experience at Imperial College and wish you every success for the future.

Yours sincerely,

Professor David Wood
Course Director
Professor of Cardiovascular Medicine
