TO WHOM IT MAY CONCERN – DINA GABBORI

BAFA South Eastern Area Group Conference – Friday, 18 September 2015

I can confirm that the above conference took place at the University of Sussex from 9am to 5pm on the above date and that Dina Gabbori registered and paid to attend this conference. Her paper "The Determinants and the Consequences of Cash Holdings: Evidence from the FTSE 100 Non-Financial Firms" was presented at the conference.

BAFA (the British Accounting and Finance Association) covers areas related to teaching and research in accounting and finance.

Yours sincerely
