Winning of the conference 'paper of the day' prize on Wednesday 5 April 2017

Norah Madkhali

1.3.2 Abstract number 38

An exploration of breast health awareness: uncovering experiences of Saudi women

Chair, Julie McGarry said *'This paper offered a passionate and engaging journey into the beliefs, values and cultural influences that impact on reporting by women and responses by professionals and within the particular context of Saudi culture. Has the potential to inform policy and practice and healthcare for women in this little explored field of health and healthcare'*
