Dear Ahmed

I am delighted to tell you that as a result of your high achievement in your recent postgraduate course, you have been awarded the Georgios Antoniadis Prize. This prize is awarded to the student who has achieved the highest marks, determined by the Autumn Term Programme Board, on the Internet Computing and Network Security programme. The student must have passed the programme at their first attempt. We would like to make a presentation to you prior to the Graduation Ceremony on the 16 December 2013 and will contact you to make arrangements to do this.

The winner of the Georgios Antoniadis Prize receives £100. In order that we can arrange to send you your prize please can you confirm your account name, bank sort code and bank account number to Christine Bagley at c.e.bagley@lboro.ac.uk.

I should like to congratulate you on such an excellent performance in your recent examinations and your achievements throughout your postgraduate studies and am confident that you will continue to do well in the future.

With best wishes.

Yours sincerely

A handwritten signature in black ink, appearing to read 'K Hollingsworth'.

Mrs Katherine Hollingsworth
