Confirmation of Conference Participation

To whom it may concern,

This is to confirm that Ahmed Aldukhail presented a research poster at SPARC - the Salford Postgraduate Annual Research Conference 2013: Theory, Practice Impact.

Ahmed's poster was entitled: "Clinical diagnosis of strength and power asymmetry", and received the runner up prize in the poster competition.

The conference took place on the 5-6 June 2013, and was hosted at the University of Salford, UK.

Yours faithfully,

Dr Victoria Sheppard
Research Skills Coordinator
