Yousef Ghazzawi  
(by email)

Dear Yousef,

**BSc (Hons) Maritime Business and Management**

You will be getting an official letter and transcript of results from the School Office in due course, but I can advise you that at the Assessment Board held today, the following award was agreed:

**Bachelor of Science with Honours, First Class**

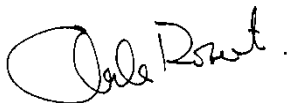

Many congratulations. I look forward to seeing you and your guests at the graduation ceremony on Thursday 17 July ([www.ljmu.ac.uk/graduation/](http://www.ljmu.ac.uk/graduation/)) if you are able to attend.

We are also having an informal social gathering after the ceremony at The Shipping Forecast in Slater Street (details here: [www.staff.livjm.ac.uk/etmcrobe/transport/downloads/Graduation\\_social\\_2014-07-17.pdf](http://www.staff.livjm.ac.uk/etmcrobe/transport/downloads/Graduation_social_2014-07-17.pdf)). If you'd like to book places for you and your guests and haven't already done so, please let me know your how many people will be in your party so I can make the necessary arrangements.

Please can also let me have a non-LJMU email address so that we can maintain contact in the future. There are regularly pieces of communication – eg about job opportunities – which I would like to pass on in this way. In addition, and if you are signed up to such things, you may wish to establish contact through LinkedIn ([uk.linkedin.com/pub/charles-roberts/12/827/32/](http://uk.linkedin.com/pub/charles-roberts/12/827/32/)) and/or Facebook ([www.facebook.com/charlesroberts904](http://www.facebook.com/charlesroberts904))

Best wishes for your future career.

Yours sincerely,

CHARLES ROBERTS
