Dear Bander A Alzahrani

Paper ID 158: Selecting Bloom-filter Header Lengths for Secure Information Centric Networking

I am pleased to let you know that the CSNDSP14 Steering Committee has chosen the best three papers to receive sponsors' prizes. Your above paper was one of those three and you are entitled to claim your prize of £100. To claim the prize please complete the attached FIN1C form (both sheets) and return it to me as soon as possible and within seven days.

PLEASE note: for UK payments on FIN1Cs (attached) for fees we will require both the claimants Date of Birth and National Insurance number to be noted on the form so that we are able to put them through our Payroll system.

If you are not a British Citizen and you don't have a National Insurance Number, then ask Natalie Renshaw copied here for advice.

Thank you for your contribution to the CSNDSP14.

Best regards
Nader
