

INTERNATIONAL ADVANCES
IN APPLIED PHYSICS & MATERIALS
SCIENCE CONGRESS & EXHIBITION
24-27 April 2014 / Fethiye

This is certify that

Effat Bahaidarah

has participated and presented

880 - An Intelligent Artificial Solar Concentrator

**in the "4th International Advances in Applied Physics and
Materials Science Congress & Exhibition (APMAS 2014)" on
April 24-27, 2014 in Fethiye, Mugla - Turkey**

A. Yavuz Oral, Ph.D.
Assoc. Prof. of Materials Science
President of APMAS2014
