**CONFIRMATION LETTER**

This is to confirm that the paper by Thamir Alaskar (co-authored with Babis Theodoulidis) titled "Business Intelligence Maturity Models: Information Management Perspective" was selected following the double-blind review process for the presentation at the 19th International Conference on Information and Software Technologies - ICIST 2013, that took place on October 10-11, in Kaunas, Lithuania. The paper was presented at the event by the author, and published by Springer in the Communications in Computer and Information Science, Volume 403, pp. 198-221 (available online and in print from the publisher).

Date: *2014-02-28*

The General Chair of the ICIST '2013

Prof. Rimantas Butleris
