Invitation Letter

Mohammed Ali Aqeeli,
School of Electrical and Electronic Engineering
The University of Manchester
Manchester, UK

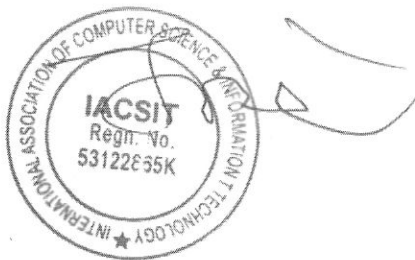

To Whom It May Concern,

2013 International Conference on Communication and Electronics Information, which will be held during 12-13 January 2013, in Bruxelles, aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of Communication and Electronics Information, and discuss the practical challenges encountered and the solutions adopted.

Herewith, the Conference Technical Committee is pleased to inform that the peer-reviewed & refereed conference paper "Design of a High Performance 5.0 GHz Low Phase Noise CMOS Voltage Controlled Oscillator" by "Mohammed A. Aqeeli and Zhirun Hu" has been accepted for oral presentation at the conference and publication in the Conference Proceedings.

Herewith, the Conference Organizing and Technical Committee would like to invite Mohammed A. Aqeeli to attend the conference during 12-13 January 2013, in Bruxelles, Belgium .

Sincerely Yours,

Dr. Yi Xie
Vice Director of IACSIT
Chief Editor of IJCEE and IJCTE

Certificate for Oral Presentation

Paper Title: Design of a High Performance 5.0 GHz Low Phase Noise 0.35 μm CMOS Voltage Controlled Oscillator (I30008)

This is to certify Mohammed A. Aqeeli from The University of Manchester, UK has delivered an oral presentation in the 2013 International Conference on Communication and Electronics Information (ICCEI 2013) held in Bruxelles, Belgium during 12-13 January, 2013.
