HCI-2016 WIP Track Notification for Paper 162

To Obead Alhadreti (CMP)

 We removed extra line breaks from this message.

Dear Obead,

We are pleased to inform you that your paper "Thinking About Thinking Aloud": An Investigation of Think-Aloud Methods in Usability Testing has been accepted for the Work in Progress Track of the British HCI 2016 conference, to be held in Bournemouth, 11th - 15th July 2016.

You can find comments from the reviewers below and you should address any suggested corrections in your camera ready copy which must be submitted via Easychair by

*** 9th Jun 2016 16:00BST [STRICT] ***

**** The instructions on preparing and presenting the posters will be sent shortly *****

We had a good number of quality submissions for this track and were only able to accept a limited number of papers, so well done!
