**BASES Conference 2014 - abstract for proofing: Action required**  
To: Claire Hitchings

day1posterPAH.docx  
38 KB

Dear Author

Thank you very much for submitting an abstract to BASES Conference 2014.

Please find attached a proof of abstracts for the session that you have been allocated.

I would be grateful if you could proof your abstract. Please pay particular attention to the authors, institutions, e-mail and Twitter Handles as for most abstracts these have been cut-and-pasted in from ScholarOne and as such, there is a risk of human error.

If you wish to add a Twitter Handle, then it needs to be in the following format please: \*corresponding author:  
[j.h.macdonald@bangor.ac.uk](mailto:j.h.macdonald@bangor.ac.uk); @sportscimac

At this stage in the process I would be grateful if you can stick to minor modifications only – eg spelling and grammar.

Please send any requested amends back to me (using Track Changes) by **end of business on Monday 15 September** –  
[chitchings@bases.org.uk](mailto:chitchings@bases.org.uk)

Please note that for your abstract to be included in the *Journal of Sports Sciences* online supplement and the Conference Abstract Booklet you need to be a registered delegate by **Monday 15 September** - <http://www.basesconference.co.uk/register-now/>

Many thanks in advance.

Kind regards, Claire

Claire Hitchings, PhD, MBA

**Journal of Sports Sciences - Decision on Manuscript ID RJSP-2014-0473.R2**

To: Nabeha Saleh A Hawari

25-Jun-2014

Dear Mrs. Hawari:

Thank you for submitting an abstract to BASES Conference 2014. This has now been reviewed by the Abstract Review Committee.

The decision is Accept.

Once all abstracts have been re-submitted I will be in contact again (before early bird registration deadline of 1 July) to advise you of whether your abstract has been accepted for a free communication presentation or a poster presentation and the date and time of that presentation.

Please ensure that you register as a delegate: <http://www.basesconference.co.uk/register-now/> Book before 1 July 2014 and you'll receive an early bird discount.

I look forward to you joining us at St. George's Park for BASES Conference 2014.

Kind regards, Claire
