ISBNPA 2015 - Meeting App!

To: Nabeha Saleh A Hawari

Dear Nabeha Hawari

The ISBNPA 2015 Meeting App is now complete, with the last few delegates added to the attendees list.

In addition, we have now added the abstract book and the final programme book, along with a separate index to make it easier to search by author name.

Please visit <http://eventsmobi.com/abnpa2015/> to view the app and create an icon on your device. You can also update your attendee profile to facilitate better networking.

If you already have the app, you may need to go to the menu and refresh the app.

We look forward to welcoming you to Edinburgh in a couple of days!

Kind Regards,

ISBNPA 2015 Secretariat

Subject: Acceptance for poster presentation: ISBNPA 2015 Annual Meeting

Dear colleague,

We have pleasure in confirming that your abstract "Validation of a novel pocket-based device to measure and provide feedback on physical activity and sedentary behaviour", reference 0274, has been accepted for presentation as a poster presentation at the ISBNPA 2015 annual meeting, which will be held in Edinburgh, Scotland, from June 3-6, 2015.

Prior to your arrival in Edinburgh we would like to draw your attention to the following:

The poster size is A0 (~33x46 in or ~84x110 cm), in portrait orientation.
The program holds three poster sessions.

A draft program with the scientific sessions is attached to this email. Please take note of where and when your communication will take place, and confirm this schedule in the final program at www.isbnpa2015.org or at the meeting app that will be released soon.

Registration

Please register as soon as possible at www.isbnpa2015.org. Deadline for early registration is March 27th.

If we don't receive your registration by that date the abstract will not be included on the program or book of abstracts.

Further questions

Find out about the satellite meetings, workshops, and other scientific activities at www.isbnpa2015.org or www.isbnpa.org.

For further questions about the logistics of the conference please contact the local organisers at isbnpa2015@meetingmakers.co.uk.

We are looking forward to welcoming you in Edinburgh!

With kind regards,

Pedro J Teixeira,
Chair of the Scientific Committee

International Society of Behavioral Nutrition and Physical Activity
