#### Confirmation of attendance at WSSSPE4

To whom it may concern,

I am writing in my role as Local Organising Chair and member of the Steering Committee of the 4th Workshop on Sustainable Software for Science: Practice and Experiences (WSSSPE4), to confirm the attendance of Aseel Aldabjan at this event.

Ms. Aldabjan presented the paper, 'How Should We Measure the Relationship Between Code Quality and Software Sustainability?', which is now available in the conference proceedings ([http://ceur-ws.org/Vol-1686/WSSSPE4\\_paper\\_22.pdf](http://ceur-ws.org/Vol-1686/WSSSPE4_paper_22.pdf)).

Yours faithfully,

Robert Haines

Head of Research Software Engineering
