

The Certificate of CESS Innovation

This to certify that

Almotaeryi Resheed

from the Kingdom of Saudi Arabia

has been formally evaluated for experience, knowledge and Skills demonstrated in Innovation Modus operandi in the CESS lab 2016-2017. His many contributions as part of his research programme have led to a number of publications thus raising the profile of the Lab. As a result he has received CESS innovation prize 2016.
