Dear Asmaa Ghazwani

Student number 16033860

I am writing to you as Pro Vice-Chancellor and Executive Dean of the Faculty of Health and Applied Sciences to highlight and celebrate your academic success in the recent assessment period.

At the end of each academic year, I publish The Dean's List of all students who have achieved an exemplary performance within their programme. The list celebrates student success and is designed to commend and highlight excellent achievement. Students are eligible to be included on the Dean's List if they meet the relevant criteria below:

- Achieve an aggregate mark of at least 70% in Level 1 or 2
- Achieve a First Class degree in the final year classification
- Achieve a Distinction classification in their Postgraduate degree programme
- Achieve a Distinction classification in their Foundation Degree programme

I am delighted to inform you that following the recent Examining Boards your name will be included on this year's list. This is something to be proud of.

Inclusion on the Dean's List is recognition of an excellent academic performance and you have the right to state this on your CV.

We also seek to gain your permission that your name can be published and celebrated as your achievement is worthy of note. If we do not hear from you in the next two weeks we will assume that you agree for your name to be published.

Yours sincerely

Professor Steven Neill
Pro Vice-Chancellor and Executive Dean
Faculty of Health and Applied Sciences
