1. Your patent application will be published on **26 July 2017** with the publication number **GB2546567**. Preparations for publication will be complete on 30 June 2017 (the "PPC date"). **WARNING** - once preparations for publication are complete it will NOT be possible to prevent publication of your application. If you wish to prevent publication of your application you must withdraw the application **BEFORE** the PPC date, by email to [withdraw@ipo.gov.uk](mailto:withdraw@ipo.gov.uk), by fax to 01633 814827, or in writing to the address above. The withdrawal should be prominently marked 'URGENT – PUBLICATION IMMINENT'. 2. On the publication date, details of your application will be entered in the Register of Patents. From then onwards those details, and the contents of the application file, will be open to public inspection at our Newport and London offices. Some documents and correspondence will also be available on our website at [www.ipo.gov.uk/p-ipsum](http://www.ipo.gov.uk/p-ipsum).

3. **IMPORTANT:** If you want your application considered for grant of a patent, you must, if you have not already done so, ensure that a request for substantive examination on Patents Form 10, together with the required fee (currently £100.00), is received by the Office within 6 months of the publication date, that is by 26 January 2018. That period can be extended by two months by sending us Patents Form 52, together with the required additional fee (currently £135.00). Please note that a reduced fee will apply to any electronically filed Patents Form 10.

[PLEASE TURN OVER]

4. IMPORTANT: If the request and fee for substantive examination are not received by the Office in time, your application will be treated as withdrawn. We will not send you any further reminders about requesting substantive examination.

5. The information in paragraph 3 does not apply to substantive examination of either a "divisional" application made under Section 15(9) of the Act, or a patent application made following entitlement proceedings.
