Dear all

We would like to thank all of the 3rd year PGR students for their efforts over the two presentation days. The standard of presentations was extremely high across the board and showcased the breadth of excellent research undertaken by PGRs across the school and the decision this year to select the prize winners and the best chairs was an extremely difficult one.

For Monday 9th July we have selected the following as equal prize winners: Helen Church (Medical Education) and Riccardo Manca (Neuroscience). And the prize for best chair: Mirinda Tatton.

For Tuesday 10th July we have selected the following prize winner **Areej Alghamdi** (Oncology and Metabolism). And the prize for best chair: Hemant Mistry.

We would also like to thank all the students who volunteered to chair a session, we felt that you did a great job with time-keeping and maintaining dialogue.

There are prizes for each of the winners and chairs, who will be contacted directly.
